Oth. The handkerchiefe.
Def. In ſooth you are too blame.
Oth. Away. *Exit.*
Em. Is not this man iealous?
Def. I nere ſaw this before:
Sure ther's ſome wonder in this handkerchiefe,
I am moſt vnhappy in the loſſe of it.
Enter Iago *and* Caſſio.
Em. Tis not a yeare or two ſhewes vs a man,
They are all but ſtomacks, and we all but foode;
They eate vs hungerly, and when they are full,
They belch vs; looke you, *Caſsio* and my husband.
Iag. There is no other way, tis ſhe muſt doe it,
And loe the happineſſe, goe, and importune her.
Def. How now good *Caſsio*, whats the newes with you?
Caſ. Madam, my former ſuite: I doe beſeech you,
That by your vertuous meanes, I may againe
Exiſt, and be a member of his loue,
Whom I, with all the office of my heart,
Intirely honour, I would not be delayed:
If my offence be of ſuch mortall kind,
That not my ſeruice paſt, nor preſent ſorrowes,
Nor purpos'd merrit in futurity,
Can ranſome me into his loue againe,
But to know ſo, muſt be my benefit,
So ſhall I cloath me in a forc'd content,
And ſhut my ſelfe vp in ſome other courſe,
To fortunes almes.
Def. Alas thrice gentle *Caſsio*,
My aduocation is not now in tune;
My Lord is not my Lord, nor ſhould I know him,
Were he in fauour, as in humor altred:
So helpe me, euery ſpirit ſanctified,
As I haue ſpoken for you all my beſt,
And ſtood within the blanke of his diſpleaſure,
For my free ſpeech: you muſt a while be patient,
What I can doe I will, and more I will
Then for my ſelfe I dare, let that ſuffice you.

Iag.
